

Subject

New instruction for Unified Interpretation regarding the suction heads of fixed emergency fire pumps form Maltese flag

ClassNK

Technical Information

No. TEC-0861

Date 11 August 2011

To whom it may concern

As already advised by ClassNK Technical Information No.TEC-0860 dated 8 August 2011, in relation to each flag state's instruction for Unified Interpretation regarding the suction heads of fixed emergency fire pumps, the Administration of Malta has newly advised the instruction as follows.

Instruction from the Administration of Malta:

It is acceptable to apply Unified Interpretation IACS UI SC178 (rev.1) regarding the suction heads of fixed emergency fire pumps as it is, i.e., apply for ships contracted for construction on or after 1 January 2012.

Upon receiving the reply/instruction from flag states other than the above, please be advised that ClassNK Technical Information would be issued time to time.

For any questions about the above, please contact:
