## DRAWING LIST OF MV. GLADYS

	LISTOFI	VIV. C	I DENDIO
Drawing	Location		
	Code	Q'TY	DESCRIPTION
NO.	NO.		
	BOX 1		
	Box 1 001	2	Wiring diagram of Nav. I.C System
	Box 1 002	1	Short Circuit Calculation
	Box 1 003	1	Main cable way arrangement (accommodation part)
	Box 1 004	1	Main cable way arrangement ( Machinery part )
	Box 1 005	2	Wiring diagram of Radio system
	Box 1 006	1	See above Spare part List for power equipment, Light Equipment, Radio
			equipment, Nav. IC Equipmen and electric inventory & tool list
	Box 1 007	1	On board test method ( electric part )
	Box 1 008	1	Practice for electric installation
	Box 1 009	1	Main cable way arrangement ( under upper deck )
	Box 1 010	1	Echo sounder/doppler speed log detailed arrangement
	Box 1 011	1	List of finished drawings and instruction books
	Box 1 012	1	Electric load analysis
	Box 1 013	1	Sequential start calculation
	Box 1 014	3	Switch box for electric welder
	Box 1 015	3	Testing panel
	Box 1 016	3	Shore Connection Box
	Box 1 017	3	Water tight socket outlet for ref.container
	Box 1 018	1	Distribution panel
	Box 1 019	1	Doppler Log Model JLN-202 Finished drawing
	Box 1 020	1	Automatic Direction Finder ( finished drawing )
	Box 1 021	1	Arr't of electric equipment in emergency generator room
	Box 1 022	1	Main diesel generator
	Box 1 023	1	Spare part list for group starter panel individual starter
	Box 1 024	1	Spare part list for emergency switchboard 1/2
	Box 1 025	1	Spare part list for emergency switchboard 2/2
	Box 1 026	2	Battery charger panel
	Box 1 027	1	Emergency switchboard
	Box 1 028	1	Motor / general E. motor specs

Drawing	Location									
	Code	Q'TY	DESCRIPTION							
NO.	NO.									
	BOX 2									
	Box 2 001	1	wo-way Radiotelephone Apparatus (UHF Handheld Transceiver )							
	Box 2 002	1	AT 400 Vessels user manual							
	Box 2 003	1	Inmarsat Ship Earth Station Model JUE 45A							
	Box 2 004	2	Spare part list for main switchboard including MCCB Switchboard							
	Box 2 005	2	Specification CSBC H No.507 (Marine A.C. ARC Welder)							
	Box 2 006	2	Fluorescent Light							
	Box 2 007	1	Suez Canal Searchlight							
	Box 2 008	2	Adaptive Autopilot PR-7507-DW							
	Box 2 009	2	Transformer							
	Box 2 010	2	Flood Light							
	Box 2 011	1	Gyro compass operation manual							
	Box 2 012	1	Navigation Lights (Electric Use)							
	Box 2 013	2	Specification for furukawa nikel cadmium alkaline battery Spec FW 1548A							
	Box 2 014	1	Electric Clock							
	Box 2 015	2	Electric Rudder Angle Indicators							
	Box 2 016	1	Incandescent Light							
	Box 2 017	1	Anemometer & Anemoscpe Type KA 101							
	Box 2 018	1	Short Circuit Calculation							
	Box 2 019	2	Marine Bell & Buzzer & Siren							
	Box 2 020	2	Junction Box							
	Box 2 021	2	Electric Wiring Fitting							
	Box 2 022	2	JRC Facsimile recorder Model Jax 90 finish drawing							
	Box 2 023	2	Em'cy fire pump No.1, 2 Steering Gear Individual Starter							
	Box 2 024	1	Electric Load Analysis							
	Box 2 025	2	Spare part list for reefer container monitor							
	Box 2 026	2	Projection Box							
	Box 2 027	1	Digital Gyro Repeater / ledic pend. / operation manual							
	Box 2 028	1	Hight speed facsimile JAX 830 ( instruction Manual )
